

HEAVY HORSE SHOWING WORKSHOP

With the growing interest in Heavy Horses and the number of private individuals who now own them, there is becoming more interest in showing these animals in the ring.

This workshop is aimed at those who have a Heavy Horse and wish to show it but do not have access to those people who can help them achieve it for what ever reason.

This is an informal day with help on hand from experts who only wish to see more people like you taking part in the numerous shows held around the country.

The day will start with advice on preshow washing and preparation, followed by plaiting, after lunch we will move to the ring where we discuss and practice ring craft, finally all participants will be put in a show situation where the judge will explain what they are looking for and why horses are placed as they are, rosettes will be awarded to those taking part.

We hope that you enjoy the day and although we cannot cover every item in great detail, you will learn more than enough to help you display your horse to its best when you are in the ring.

The cost for the day is £20, hot food is available on site.
